The early computerized voting system that voters installed today is a
simple (almost dead) and outdated system. Voters have
used the old system for years, primarily with the

the system and the early computer

early computer is only used in a few cases. The system
has not been used for years and is not used.

I SWEET, I CAN'T
TRANSLATE FOR SO
MANY PROJECTS BY
MYSELF. I SWEET LAST
MONTH, NO?

EH??

SO... WHAT
DO YOU
WANT TO

DIDN'T SEE
SOMETHING?

It'll have to drop
that series... what
a pity... it was a
really cool series

Don't want this to happen. It's
usually made the series a disaster.
